

**NMIMS Hyderabad  
Final Placement  
Report 2013-15**

NMIMS Hyderabad has had yet another successful placement season, with 100% placements for the batch of 2013-15. The students bagged coveted profiles across sectors. The average CTC for the batch increased to 8.3LPA from 8LPA with the highest CTC offered on campus being 15.5LPA. The season saw more than 50 companies for a batch of 53 students considering the students of NMIMS Hyderabad for final placements. There was a substantial rise in the number of offers made per student by the companies, which also included a lot of new recruiters who trusted the quality of students NMIMS Hyderabad had on offer. The season witnessed companies offering international placements and students bagging PPO's which made the placement season at NMIMS Hyderabad more heartening.

The various student driven committees along with the placement committee in particular worked tirelessly in order to maintain and develop the strong connect between the corporates and campus thereby making this season successful.
